Finally, we ask you to join us in City Hall Park on May 1 for a rally of Adjunct Faculty sponsored by the professional Staff Congress and supported by CUNY Adjuncts. I will be there-please come and encourage your students to come.

In Solidarity,

Barbara Lerner, President
Union of Adjunct Faculty at Pace

Fair Contracts, Fair Wages and Job Security for All Working People-including adjunct faculty!

▪

Together We Fight! Together We Win!

▪

As part of a national mobilization, academic unions are demanding a minimum starting salary of \$5,000 per course, job security, health insurance, and decent working conditions for adjuncts. We're making a special effort to be visible on May Day, the international workers' day of action.

▪

We stand in solidarity with other low-wage, precarious workers, and our partners in the labor movement. Stand with us!

Mark your calendars.
